We Need A Name

Our newsletter needs a name. We need your help and creative ideas to find a catchy name for our newsletter. Send us your ideas by email, info@klpcentre.ca or call us, 705-878-8527 or drop in and tell us in person. We can hardly wait!

Thanksgiving

This newsletter is about you, our supporters and friends. We cannot begin to let you know how much impact you have on this ministry. Each and every one of you are so important to God's work, the staff of the Centre and especially the clients. You don't get to see the wonderful things that happen at the Centre. Hopefully, we can share some of the stories you are a part of and some of the wonderfully creative things that you do for us. You are such a blessing. During this season of thanksgiving we honour you.

*God bless you and keep you,
God smile on you and gift you,
God look you full in the face and make you prosper.
Numbers 6:24-26 The Message*

You connect with us through Prayer

Prayer is the mortar that holds our house together. St. Theresa of Avila

Pray for: (names have been changed to protect the confidentiality of our clients)

Anna – a college student who just found out she is pregnant, she called the Centre wanting to talk to someone about her options. She is broken and wounded because of the rejection she has experienced from her father and she does not want to disappoint her mother and grandmother. She is afraid to tell any of them that she is pregnant and feels her best option is to get an abortion and go on with her life. We are so glad she called us first. One of our support workers spoke with her and urged her to call her mom or grandmother. She spoke to her as a mom herself, she would want to know if her daughter was facing such a life changing decision. We haven't heard back and don't know what she has chosen. Pray for her.

Tammy – 19 years old, recently unemployed, looking for work and living at home. She is 6 weeks pregnant. This is her second pregnancy, the first one ended in abortion. Her parents have told her they will kick her out of the home if she has this baby. She does not want an abortion, her previous experience was very hard on her both physically and emotionally. She found us through our web site. She came to talk and get support. We encouraged her to be strong and not allow others to make decisions for her and gave her information about options that she can use to talk to her parents. Pray that she will be able to hold firm to her decision to give life to her baby. Pray that God will soften the hearts of her parents and they will understand that this is their grandchild.

These are just two stories of the many who come through the doors here at the Centre. We crave your prayers.

Jessica Brillinger recently came to us with her creative idea and she needs your help to see it through. Jessica is a Personal Stylist with Stella & Dot Jewelry. Jessica has committed to donate \$25 from every show held between now and the end of 2012. Her goal is 25 shows raising \$625.00 for the Centre. If you would like to help by hosting a show you can get in touch with Jessica at jessbrillinger@gmail.com or call her at 705-320-9781. For more information: www.stelladot.com/jessicabrillinger.

Marg did a wonderful scrapbook on the promises of God and brought it to the Centre. We wanted a way to use what she had done more effectively and reach more people than just leaving it for people to see at the Centre. Marg took it to a printer and had smaller booklets made for us. We now have a beautiful gift and keepsake to add to every new baby gift bag. It shows each girl that there is a God who loves them and their child. Pray that it touches their hearts and they desire to know more about this God. The front cover of the booklet says: **Promises Promises, This book of Promises from God's Word using the Message translation is given with love and prayers to you and your little one. May the Lord bless you always.**

Did you know that we sometimes have need of grocery cards? Did you know that Heritage Christian School sells grocery cards for all the local grocery stores and gets a percentage of the sales to help raise funds for the school? You can help both the Centre and Heritage by purchasing gift cards for the Centre at the office of Heritage Christian School. The school will raise funds and our clients will benefit when they are in need. We prefer denominations of \$10, \$20 or \$25.

Baby Boutique

Every woman who comes to the Centre and participates in one of our programs or does prenatal or parenting education earns Baby Bucks as a reward. She gets to spend these baby bucks at our Baby Boutique. Some of the most popular items in the Baby Boutique are older children's toys and items for the home such as towels of the bathroom or kitchen items. These items are all new and the girls work very hard to earn them. Donations for the Baby Boutique would be really appreciated. If you would like more information call the Centre and talk to Susan or Beth.

We always seem to be saying this. We need volunteers willing to work at the Centre. We specifically need volunteers on Monday, Tuesday and Wednesday from noon until 4:00 pm. We also need men and women to consider being on the Board of Director's. Call the Centre or come in for an application. Training is provided. **Maybe God is waiting for you to help us meet this need.**
